Re: *United States v. Anthony Weiner*, 17 Cr. 307

Dear Judge Cote:

Pursuant to the Court's order of September 19, 2017, we have conferred with the Government as to whether any portions of Exhibit 43 are appropriate for public filing. We have agreed that a redacted form of Exhibit 43 can be publically filed and that limited redactions, highlighted in the enclosed exhibit, can be made for the reasons identified in the defense's letter to the Court, dated September 13, 2017 (Doc. No. 26). We also propose that the final sentence in footnote 41 on page 45 of Mr. Weiner's sentencing submission be unredacted, to reflect the changes in Exhibit 43. With the Court's approval, we will file revised redacted versions of these documents on ECF.

In addition, we are submitting a letter that we received from a member of the community who asked that the letter be submitted to the Court for consideration at sentencing. The version of the letter filed on ECF contains proposed redactions, specifically, in accordance with your Honor's "Individual Rules of Practice for Sentencing Proceedings," home address information.

We are available to provide any further information the Court requires to assess this request.

Respectfully submitted,

Arlo Devlin-Brown
